CHINA HERE FROM COAST

The P. M. S. S. China docked at the Channel wharf at noon yesterday after a pleasant and uneventful trip down.

There were twelve passengers on Hawaii port, several of them being very well known.

Mr. P. C. Jones, Rev. H. Bingham and Mrs. L. B. Coan returned from an annual meeting of the Board of Foreign Missions which was held at Des Moines, Iowa. Rev. W. D. Westervelt also returned from the mainland where he has given several lectures on Hawaii.

Among the through passengers is Prince Aziz Hassan, a nephew of the Sultan of Turkey, who has been making a tour of the world studying different methods of irrigation.

Commander N. Sargent is on his way to the Orient to take command of the Baltimore.

Commander C. G. Calkins is also on his way to the Orient.

Dr. H. T. Percy is going out to take charge of the Naval hospital at Yokohama.

Among the others is a large number of missionaries school teachers and other government employees.

The China brought 209 bags of mail for this port and 90 tons of cement. Her through cargo consists of 2500 tons of freight, principally contraband, being saltpetre, lead, leather, etc. The China leaves for Yokohama this morning at 10 o'clock.

ALGOA SAILS WITHOUT RUDDER

Capt. J. H. Rinder has resigned from the Pacific Mail Company's service but declines to speak of his future movements.

Captain Rinder has always been considered one of the very best navigators in the Pacific, and as a commander of the well-known liner Coptic for many years stood high, not only as an able commander, but as a gentleman acceptable to the best class of travelers sailing out of this port for the Far East. His career in the Pacific Mail Company has, however, been unfortunate, without reflecting upon himself, for accident has followed accident since he took the Mongolia, and circumstances over which he had no control caused his assignment to the Algoa. Now he has resigned, rather than continue on the vessel. But whether he remains in the Pacific, or goes elsewhere, Captain Rinder will be remembered here as a fine type of master mariner.

The Algoa left San Francisco at the same time as did the China, bound for Japan and China. She took 10,000 tons of freight consisting of a wide variety of material, most of which will eventually reach Manchuria.

BUFFALO TO REMAIN ON PACIFIC

The government has changed the order for the Buffalo to go to the East for a set of new boilers and she will be repaired at Mare Island. The repairs will involve an outlay of at least \$100,000 and probably considerably more. After being thoroughly renovated, the Buffalo will be used on the Pacific Coast as a recruit training ship for the Pacific fleet.

Shipping Notes.

The transport Sherman is due from the coast next Tuesday.

The schooner Alpena sailed yesterday afternoon for the Sound in ballast.

The Likiep brought 50 head of cattle, 13 hogs and 193 sheep on her last trip. The Patterson leaves for Kahoolawe on Thursday. She is loading coal now at the Naval dock.

The Kinai and Claudine will sail a day late next week. They will wait over to take in election day.

Additional information from the coast flies states that the Alice Kimball was a total loss and was not insured.

Upon trial the dredger was found not to be working to the best advantage. The cutting blades are being changed.

Word has been received that the Manchuria passed Midway on Saturday. She probably will not get here before noon.

The Noeau left last evening with 50 tons of fertilizer and 50 tons of coal for Kilauea plantation. She also took 6000 feet of lumber and a fair amount of general freight.
